Hello Ms. Driskell,

Reference is made to Public Recourses 25402

I would like to add the attached **additional supplemental "Rand Statistics" information** in support of the **"Petition"** I submitted, dated July 02, 2013,

There are 12 pages (plus cover page) whch document the dollar valuses of **new nonresidential construction permit valuations in all Califromia counties and cities,** by year,
for each year from 2000 to 2010 inclusive..

One can ready **see the drop-of in dollar value of these construction permits, after the "crash", for years 2009 and 2010**. The 2011 statistics will be available in about a month, We're told.
Hence the need for the moritorium the petition seeks.

Respectfully submitted,

George Athans,
