Subject: Request to Open New Docket for Commercial Ovens

This memo is to request to open a new docket for the California Energy Commission (CEC) to document public interactions related to pre-rulemaking activities for commercial ovens. Pre-rulemaking activities include conducting research and gathering information necessary to develop staff analyses and recommendations, and providing draft copies of staff reports for public review and feedback. A separate docket will be created if or when a formal rulemaking proceeding for commercial ovens is initiated.

The new docket number will be 26-AAER-03, with the title "Commercial Ovens Pre-Rulemaking Discussion".
