Mr. Chris Beale

1516 Ninth Street, MS-46, Dockets Office, MS-4, Docket No. 09-RENEW EO-01
Sacramento, CA 95814-5512

Dear Mr. Beale,

As someone who cares about our California desert and our renewable energy future, it is essential that the 22.5 million acre Desert Renewable Energy Conservation Plan is finalized in a thoughtful way.

Each one of us has a responsibility to protect the earth & environment we have been given - let's make a lasting impression that will be here for future generations to appreciate.

How can our wildlife & precious environment survive without your & my help.

Thank you for standing up for the California Desert!

Sincerely,

Ms. Heidi Wessels
