I have been watching and listening via zoom regarding the Compass Energy Storage Facility proposal.

I am adamantly against having a battery storage facility in the San Juan Capistrano area and Laguna Niguel.

This is a major fire hazard! Within a a mile or two, there are schools, hospitals, aquifers, railway, 5 freeway, equestrian, trails, and more.

It makes no logical sense to put this facility there. It's being installed for selfish monetary reasons at the expense of our community.

Thank you,

Wendy and Shane Baird
