Subject: Lithium battery storage in San Juan Capistrano location.
Date: Thursday, May 29, 2025 1:40:47 PM

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

I am completely against the current application of a storage location in San Juan Capistrano. Maybe build out in the middle of the desert, not in a dense community filled with homes with families. This will bring our home sales down, make buyers skeptical of purchasing in the area. It will also raise our home insurance costs as was stated by my insurance agent from AAA.

Please add my husbands name as well who is also against this project. Name is Darrel Roberts.
Please add my name
Shannon Roberts
