NO on this Dangerous Battery farm

We live above the Proposed Site. Too Close to homes, Freeway, 4 Schools , Hospital, Retirement Homes with Elderly ,Railroad , Mission viejo Mall and our Ocean will be compromised either Run off if and WHEN A FIRE HAPPENS.

The very important part of this is thisâ€|Road Access limited to One outlet Golden Lantern for thousands of home owners and their familyâ€™s and pets . Disastrous !!!! This is Dangerous. The noise level behind our homes. The Beautiful green hillside our VIEWS Destroyed!!!! Our Property Values will decline!! Iâ€™m a Realtor Our FIRE ðŸ”¥ INSURANCE skyrocketed or removed as some have stated already.

My Son is Retired Hasmat Fire Fighter. He and ALL Firefighters risk their lives and many have had Cancer or died.

We see the need for these Farms but not adjacent to communities.. These are our families and children who are put at Severe RISK of Harmful chemicals â€| plenty of Land INLAND

DO NOT APPROVE THIS AS SAN JUAN HAS ALREADY DISSAPROVED IT!!!!DANGEROUS

PUT YOUR FAMILYS LIFE IN THIS SITUATIONâ€| would you approve this We plead with you to Do the Right thing. VOTE NO!!!!
