Comment Received From: Gloria M Laub
Submitted On: 6/1/2025
Docket Number: 24-OPT-02

Concerned

PLEASE PLEASE DO NOT MOVE FORWARD WITH THIS PROJECT.

Please consider the other options for locations. I am all for green energy but only in the name of protecting life.

The impact is too big of a risk. I come from 4 generations of fire and medical family. This will be a huge mistake. Be smart and do the right thing & go elsewhere.

Thank you for taking the time to read this.
