## **Stop the Compass Energy Storage in SJC!**

I am completely opposed to the Compass Energy Storage facility being built in the proposed location in San Juan Capistrano, CA. This storage facility should be built away from homes, schools, local businesses - somewhere out in the desert. My home of almost 40 years in Laguna Niguel is very close to this area and will be subject to higher insurance rates due to the increased fire risk and other possible health dangers the facility brings to the area. It's my understanding that the facility will be so dangerous it will be unmanned, yet you think we should live near it!!! REALLY?!!! Shame on all of you! Also, the value of my home that I worked so hard to buy and keep, and all those in the area will be severely decreased if this facility is built in our area. We deserve better consideration.

I AM LOUDLY VOICING MY OPPOSITION TO BUILDING THE COMPASS ENERGY STORAGE FACILITY IN THE PROPOSED SITE IN SAN JUAN CAPISTRANO, CA, WHICH BASICALLY MEANS IT WOULD BE BUILT IN MY BACKYARD, AND THAT OF THOUSANDS OF OTHERS IN SOUTH ORANGE COUNTY.
