No to Lithium Battery Storage Facility

Ladies, Gentlemen,
No to lithium energy storage systems
in the San Juan Capistrano/Dana Point area!

Toxic industry planting itself so close to neighborhoods, watersheds, the beach and ocean! You have got to be kidding. And this after the San Onofre Nuclear Facility debacle! How many billions must taxpayers spend before California learns, toxic industry and the coastline do not mix!

Please use common sense. Deny this awful lithium battery storage proposal.

Thank you,

Chris Thornburg
San Clemente
