To Whom it May Concern:

I would like to register my firm opposition to the proposed battery storage facility in my hometown of San Juan Capistrano. The potential for severe health impacts in case of an accident or intentional vandalism, on especially my children and mother and other sensitive groups, gravely concern me. Other locations would be more suitable for such a facility. The proximity to homes, schools and senior housing is distressing. Please do not allow this project to go through.

Thank you for understanding the very serious nature of this matter.

Belinda Brent
