STOP THE LITHIUM BATTERY STORAGE!

As a resident of Orange County and homeowner in Laguna Niguel/San Clemente and business owner in Laguna Hills, I am shocked that the proposed lithium battery storage facility in San Juan Capistrano would even be considered! This plan would be disastrous for all! What a high-risk location to house a battery storage facility.

1. Public health hazards are innumerable, 2. Fire risk is extremely high with dense businesses and residential neighborhoods in the area, 3. vegetation/open space in the immediate vicinity, 4. High traffic region with 5 freeway, Metrolink Railway, 73 Toll Road freeway all converging within feet of this facility. 5. J Serra Catholic High School, Shea Equine Rehab Center, the list goes on and on. STOP THIS BATTERY STORAGE PROPOSAL!! PRESERVE OUR LIVES, SAVE OUR CHILDREN, PROTECT OUR NEIGHBORHOODS, AND KEEP OUR BUSINESSES SAFE AND VIABLE. THANK YOU FOR MAKING THE RIGHT CHOICE AND SAY NO!
