Dudek

California Energy Commission

BESS (Battery Energy Storage System) San Juan Capistrano

Subject: EIR for BESS

Dear Applicant

Thank you for the opportunity to review the subject document. The Orange County Fire Authority (OCFA) provides fire protection and emergency medical services response to 23 cities in Orange County and all unincorporated areas. The OCFA operates 78 fire stations throughout Orange County.

Per Title 14 CCR § 15164 Would the project result in substantial adverse physical impacts associated with the provision of new or physically altered governmental facilities, need for new or physically altered governmental facilities, the construction of which could cause significant environmental impacts, in order to maintain acceptable service ratios, response times or other performance objectives for any of the public services:

We believe that the project will have less than a significant impact.

Please contact me at 714-573-6102 if you have any questions.

Sincerely,

Todd Letterman

Assistant Fire Marshal
