**Re: City of San Juan Capistrano Request for Reimbursement Pursuant  
to Public Resources Code Section 25538 – NOTICE OF COMPLETENESS**

Dear Paul Garcia:

The California Energy Commission (CEC) received the City of San Juan Capistrano's revised request for reimbursement for review of the Compass Energy Storage Project (24-OPT-02) Opt-In Certification Application entitled "City of San Juan Capistrano Reimbursement Budget Request" docketed on May 28, 2025, (TN 263401). An earlier version was docketed on May 27, 2025, without the budget details (TN 263363). After reviewing the revised request for reimbursement and proposed budget, CEC staff has determined the request is complete.

California Code of Regulations, title 20, section 1878.1(c)(2) requires the proposed budget to justify each line-item amount and explain how each line-item is reasonably related to the matters which the agency is requested to review.

**A. Line-Item Costs and Costs Eligible for Reimbursement**

The City of San Juan Capistrano's revised Reimbursement Budget Request, including Attachment A, City Budget Summary, and Attachment B, City Budget Summary, contains an itemized proposed budget.

Staff finds that the revised budget docketed on May 28, 2025, for the Compass Energy Project is complete under California Code of Regulations, title 20, section 1878.1(c)(2).

In conclusion, the City of San Juan Capistrano's line items are appropriately disclosed but will be reviewed separately for reimbursement eligibility under applicable statutes. No further budget revisions are required for completeness purposes at this time.

Sincerely,

*Dian Vorters*
