Attn: Acceptance Test Technician Certification Provider (ATTCP) Program

Subject: Official Withdrawal of NEBB as an ATTCP

ELECTRONIC NOTICE ISSUED TO: Bhaskar.Ale@energy.ca.gov, Chris.Olvera@energy.ca.gov and Joe.Loyer@energy.ca.gov

Dear Mr. Ale,

On behalf of the National Environmental Balancing Bureau (NEBB), this letter serves as formal notification that NEBB is officially withdrawing from its role as an approved Acceptance Test Technician Certification Provider (ATTCP) under California's Building Energy Efficiency Standards (Title 24).

We greatly appreciate the support, collaboration, and guidance provided by the California Energy Commission throughout our participation in the ATTCP program. It has been an honor to contribute to the Commission's mission to improve energy efficiency and compliance across the state.

As part of our withdrawal, we respectfully request guidance regarding the necessary next steps to formally conclude NEBB's responsibilities within the program. Please let us know if any documentation, reporting, or transitional procedures are required to complete this process appropriately and in accordance with the Commission's policies.

Thank you again for the opportunity to serve in this capacity. We remain supportive of the CEC's initiatives and look forward to continuing our partnership in other capacities in the future.

Best,

A handwritten signature in black ink, appearing to read 'Tiffany J. Meyers', is written in a cursive style.
