California Energy Commission Memorandum

To: Docket Unit Office
docket@energy.ca.gov

From: Will Vicent, Deputy Director
Efficiency Division

Date: July 8, 2025

Subject: Request to Open New Docket for Applications for Local Ordinances Exceeding the 2025 Energy Code.

The Building Standards Branch requests a new docket to support applications from local jurisdictions that voluntarily adopt energy efficiency or conservation design standards that exceed the 2025 Energy Code, also known as reach codes. These ordinances require a diminution of energy consumption levels compared to the 2025 Energy Code (California Code of Regulations, Title 24, Part 6). Pursuant to California Code of Regulations, Title 24, Part 1, sections 10-106 and 10-110 and Public Resources Code section 25402.1(h)(2), local jurisdictions must submit an application to the California Energy Commission (CEC) in order for the local standard to be enforced.

The docket should be titled: **Applications for Local Ordinances Exceeding the 2025 Energy Code**. Please add the following CEC subscription list to this docket: Building Energy Efficiency Standards. Please send notification when opened and include the following individuals on the internal distribution list:
