- Form 8.1a (CCA): Budget Appropriations or Actual Costs and Cost Projections by Major Expense Category, in dollars, for 2023 through 2036.
- Form 8.1b (CCA): Revenue Requirements Allocation, in dollars, for 2023 through 2036.

The data in Form 8.1a includes Actual Costs and Cost Projections of its portfolio of energy contracts for renewable energy, energy storage, and all other market transactions including energy, Resource Adequacy, and Ancillary Services. This information begins with actual costs from 2023 and 2024 and ends with forecasted amounts through 2036. In Form 8.2b, CleanPowerSF calculated the revenue requirements based on the confidential inputs from Form 8.1a. The information from both forms is substantially similar to the data CleanPowerSF submitted in Docket No. 23-IEPR-02 on July 31, 2023.

II. Time Period for Confidential Treatment

CleanPowerSF requests confidential treatment for three (3) years from the submission of Forms 8.1a and 8.2b until July 14, 2028.

III. CleanPowerSF Maintains the Confidentiality of this Information

CleanPowerSF guards the confidentiality of, and even only allows a subset of its staff to access the information in Forms 8.1a and b. Any time information of this nature is provided to a public agency, CleanPowerSF requests confidentiality.

IV. Certification of CleanPowerSF Director

I certify under penalty of perjury that the information identified in this application for confidential designation is substantially similar to the information previously submitted in CleanPowerSF's July 31, 2023 application, and that all the facts and circumstances relevant to confidentiality remain unchanged.
