**STATE OF CALIFORNIA
ENERGY RESOURCES CONSERVATION
AND DEVELOPMENT COMMISSION**

In the Matter of:

Integrated Energy Policy Report - Electricity
and Gas Demand Forecast

Docket No. 25-IEPR-03

**Certification of Shell Energy North America (US), L.P.
in Support of Application for Confidential Treatment
of Portions of its Electricity Demand Forecast Forms**

Pursuant to Section 25322 of the Public Resources Code (“PRC”) and Section 2505(a)(4) of Title 20 of the California Code of Regulations (“CCR”), Shell Energy North America (US) L.P. (“SENA” or “Applicant”) provides this Certification in support of its Application requesting that the Commission designate as confidential certain information contained in the attached IEPR Electricity Demand Forecast Forms. The information for which SENA seeks confidential treatment is substantially the same as the information for which the Commission granted SENA confidential treatment in Docket Nos. 19-IEPR-02 (June 5, 2019) and 22-IEPR-03 (December 2, 2022).

1. The information for which Applicant seeks confidential treatment is as follows:

A. Form 8.1a - Estimated Power-Supply Costs

Applicant’s Form 8.1a contains information about the actual and forecasted energy procurement costs for 2023-2036. See Lines 9 (Bilateral Contracts) and 12 (Total Estimated Power-Supply Costs) of Columns B-O.

2. Length of time for which information should be maintained on a confidential basis.

SENA requests that the historical information for 2023-2024 in Form 8.1a that is designated as confidential be maintained on a confidential basis for a period no less than one (1) year (through December 31, 2026), and that forecast information for 2025-2036 that is designated as confidential be maintained on a confidential basis for a period no less than three (3) years (through December 31, 2028).

3. Aggregation of Data

The confidential information submitted by Applicant may be released to the public if first aggregated with all other electric service provider demand forecasts.

4. Penalty of Perjury Certification

I certify, under penalty of perjury, that this information is substantially similar to information previously submitted in Docket Nos. 19-IEPR-02 and 22-IEPR-03 for which confidential treatment was granted (except that confidential treatment is requested for information for the years 2023 through 2036), and that all the facts and circumstances relevant to confidentiality remain unchanged, in accordance with CCR Title 20, Section 2505(a)(4).
