## **Opposition to BSS**

I am adamantly opposed to this facility on this site. You are endangering a huge population of families, senior citizens, and wildlife. There are schools, neighborhoods, and assisted living facilities within a mile of this property.

For 38 years I lived at 29052 Mira Vista (just above the proposed location) on two occasions the church had fireworks for the 4th of July and fire raced up the hill toward the neighborhoods. Property insurance is at an all time high and even at that some companies will not insure" with this facility, it will be even harder if not impossible to get insurance. While living on Mira Vista we saw a wide range of wildlife-eagles, roadrunners, snakes of all varieties, and even a bobcat.

It is insanity to even think of building a BSS in this highly populated location!
