## **Corby BESS Project**

My name is Jan Bell. Iâ€™m a resident of Elmira of Vacaville, in Solano County. I strongly oppose having a lithium battery plant in my neighborhood. It would be exactly 3.7 miles away from me. I have lived here for over 25 years on property with horses, and farm animals. I use a well and the water table is 3 feet below the surface. Toxins from the plant could leak into our water. I am building a legacy for my children and I donâ€™t want them to live here in fear!

Thank you for your consideration!  
Jan Bell
