SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release (Agreement) is entered into between the California Energy Commission (CEC), with its principal office at 715 P Street, Sacramento, California 95814, and Proox Kitchen & Bath, Inc. (Proox), with a place of business at 4255 South Buckley Road, Suite 699, Aurora, Colorado 80013, collectively referred to as the Parties.

I. RECITALS

(1) CEC's Appliance Efficiency Regulations at California Code of Regulations, Title 20, Article 4, sections 1601-1609 (Appliance Efficiency Regulations),¹ set forth the requirements to sell or offer for sale regulated appliances in California. The pertinent requirements include:

- Testing: The appliance is tested as required in section 1603, using the applicable test method set forth in section 1604.
- Efficiency: The appliance meets the required efficiency standards set forth in sections 1605.2 or 1605.3.
- Marking: The appliance is correctly marked and labeled as required under section 1607.
- Certification: The appliance is certified to CEC and appears in CEC's most recent Modernized Appliance Efficiency Database System (MAEDbS) as required under section 1606.

(2) CEC's enforcement authority includes the removal of non-complying appliances from MAEDbS, as set forth in section 1608, and the issuance of administrative civil penalties under section 1609.

(3) Proox sells several models of Proox brand plumbing fittings that it sells or offers for sale in California, either directly or through retailers or distributors.

(4) Proox brand plumbing fittings are subject to the testing, efficiency, marking, and certification requirements for this appliance class as described in paragraph I(1) above.

(5) From July 2018 to July 2022, Proox sold or offered for sale in California through retailers or distributors showerhead-tub spout diverter combinations, lavatory faucets, and kitchen faucets, that were not listed in MAEDbS as required in section 1606, did not meet the efficiency standards set forth in section 1605.3(h) when tested using the appropriate test method as described in section 1604(h), and were not marked as required in section 1607.

¹ All references are to California Code of Regulations, Title 20, Article 4, unless otherwise specified.

(6) Based on the above Recitals, CEC, through administrative adjudication, could impose penalties for each violation alleged, obtain injunctive relief to prohibit Proox from continuing to sell or offer for sale, non-compliant plumbing fittings in California, and take any other enforcement action as allowed by law.

(7) California Public Resources Code section 25402.11(a)(2) identifies the following factors CEC shall consider when determining the amount of an administrative civil penalty:

- The nature and seriousness of the violation.
- The number of violations.
- The persistence of the violation arising from the course of conduct that is subject of the enforcement proceeding.
- The length of time over which the violation occurred.
- The willfulness of the violation.
- The violator's assets, liabilities, and net worth.
- The harm to consumers and to the state that resulted from the amount of energy wasted due to the violation.

(8) Penalties must be set at levels sufficient to deter violations. In developing this Agreement CEC considered the facts of the case and applied the above factors to determine an appropriate settlement. Further, in this case Proox cooperated with CEC in the investigation by notifying retailers and removing the non-compliant units from the California market. The efforts by Proox saved CEC time and resources in investigating the violations and minimized the impacts on the competitive business environment and water consumption and the environment in California, from the non-compliant units.

(9) Proox is willing to enter into this Agreement solely for the purpose of settlement and resolution of this matter with CEC. CEC accepts this Agreement in termination of this matter. Accordingly, the Parties agree to resolve this matter completely by means of this Agreement, without the need for administrative adjudication.

(11) Each provision of this Agreement is severable, and in the event that any provision of this Agreement is held to be invalid or unenforceable, the remainder of this Agreement remains in full force and effect.

(12) The failure of any Party to enforce any provision of this Agreement shall not be construed as a waiver of any such provision, nor prevent such Party thereafter from enforcing such provision or any other provision of this Agreement.

(13) This Agreement is deemed to have been drafted equally by the Parties; it will not be interpreted for or against either Party on the ground that said Party drafted it.

(14) This Agreement is effective upon signature by a representative of Proox with authority to bind the company, and signature by the Executive Director of CEC.
