REÂ Opposition to Proposed Compass Energy Storage Project (24-OPT-02

The fact that this is even in consideration with the CEC is CRUEL and UNUSUAL PUNISHMENT to our community. This facility poses an existential THREAT to our lives, our community, to our way of life. STOP IT NOW. This facility belongs FAR away from homes. It belongs in an industrial area AWAY from populations. Actually, BETTER TECHNOLOGIES will be developed. NOT one that poses huge fire threat to an already high fire danger area. THROW IT OUT NOWâ€¦.LET ME SLEEP AT NIGHT.
