Prairie Song Reliability Project Bess

Acton had been my home since 1985. My husband and I raised our 3 daughters here. I am adamantly opposed to this huge BESS project being built in our community. This proposed project will have an enormous negative impact on our way of life, our property values, increase our insurance premiums and our ability to have property insurance at all as well as increase fire danger. This project has NO redeeming qualities to improve our lives or community. Building it in Acton will be devastating.
