Ms

Hello, I am writing to express my dismay at the possibility of the land close to my ranch on El Sastre being spoiled by making it a place for lithium batteries. I would never have bought in Acton if I thought the character of the beautiful land would be so drastically changed. Please do not allow this facility to be put in an area close to where families are living. It is not good for the land, or for the people and animals living in the area.

Sincerely,
Monika Malone
