Former District 27 Congressman speaks up for Acton

Our former 27th District Congressman Mike Garcia stood on the floor of Congress last year speaking out for the community of Acton regarding another 400 MW BESS approved by LA County in the same part of Acton, literally less than a mile north of the Prairie Song proposed site location.

What we would like for the CEC to consider;

Our community is not dispensable.

Our residents have to right to live in a safe environment.

Our energy grid can be supported by BESS that are sited for safety above siting for interconnection convenience and gen-tie line cost savings.

Thank you,

Ruthie Brock
