Bess Project Vacaville

Overall, do not support the proposed Bess project in Vacaville. It is not in the best interest for Vacaville citizens. If this was in your backyard how would you personally consider this project. Consider the citizens in Vacaville. We do have a voice! We live here. We would be impacted with any mishaps that may occur, i.e., fire, ground water contamination, etc. Please listen!!!! Not interested in this project in any way shape or form!
