## **Oppose Corby Battery Energy Storage System Project**

I'm writing to express my concern for my family and the families of my neighbors health if the Corby Project moves forward. This facility would be a biohazard to all Vacaville, CA residents. Look what happened at Moss Landing. As a resident of Vacaville, I do not want any potential hazards in the city my family and I reside. The residents of Vacaville oppose this hazardous project. Such a site should be built outside of city limits. Somewhere people and animals don't live. I OPPOSE THIS PROJECT!
