Docketed Date:	11/18/2025

California Energy Commission

Grant Funding Opportunity

GFO-25-901 – California Training for Residential Energy Contractors (CA-TREC)

Purpose

CA-TREC will fund California statewide residential building electrification and efficiency contractor training projects that develop the workforce necessary for long-term market transformation in whole-home efficiency; reduce cost of training contractor employees; and support programs offering testing and certifications for contractors.

Pre-Application Workshop - GFO-25-901 - California Training for Residential Energy Contractors (CA-TREC)

CEC staff will hold one remote Pre-Application Workshop to discuss this solicitation with potential applicants. Participation is optional but encouraged. Applicants may attend the workshop via the internet (Zoom, see instructions below) or via conference call on the date and at the time and location listed.

Wednesday, November 19, 2025

09:00 AM - 11:00 AM

Remote Access Only

"Add to Calendar" is available on the [event page](#) at

<https://www.energy.ca.gov/event/funding-workshop/2025-11/pre-application-workshop-gfo-25-901-california-training-residential>.

Remote Attendance

Participation Through Zoom: Remote access is available by computer or phone via Zoom. When attending remotely, presentations will appear on your computer/laptop/mobile device screen, and audio may be heard via the device or telephone. Please be aware that

the pre-application workshop will be recorded.
