The applicant states that these records were previously determined by the CEC's executive director to be confidential (25-IEPR-02, TN260230). The applicant asserts, under penalty of perjury, that the document submitted contains information substantially similar to previously submitted information that was granted confidential designation, and all facts and circumstances relevant to the confidentiality of the information remain unchanged.

An application meeting these criteria will be approved.

The applicant has met the requirements for confidential designation of the above information as a repeated application. Confidentiality is granted through December 31, 2034, or two years after the contract expiration date, whichever is later, under the same terms as those in the initial letter granting confidentiality.
