Ban BESS in our city

Iâ€™m a concerned resident of Brighton Landing due to all potential locations for BESS being so close to our homes and families. I politely ask that the city of Vacaville ban BESS from city limits. This is a danger to our families as it exposes our children to dangerous toxic fumes if a fire were to occur. It also decreases our home values and our home insurance rates could also be affected. BAN BESS!!! KEEP VACAVILLE SAFE!
