**NO to prairie song bess**

As a resident here in Acton we do NOT want this here we are in a very HIGH fire area. This would be so dangerous and could literally wipe out our whole town and more we are a very dry area and one spark from this facility could literally be very detrimental. A lot of these properties out here have livestock and or fur babies like I do. If I were at work and a fire started I would literally lose my family. Please do not allow this battery facility in Acton. Thank you very much.
