Praise Song Acton Cs

We can't have this in our town. We are a gate way from the Antelope valley to LA. If and when there is a malfunction it would shut down the freeway and Angeles Forest. Plus we are a rural community. We do not have the resources to contain an emergency caused by this project. Also since we are very rural we have so much wild life. This project will have a negative impact on our wild life.

We will fight this awful project to the bitter end.
