## **PROOF OF COMMUNITY OPPOSITION, CONCERN, & RELIEF**

I have been posting regularly throughout the process on the NextDoor app for the area my home is located in. Most all of my posts received 1k-5k views... the FINAL post I made about the ENGIE/Compass Battery Storage Facility in San Juan Capistrano, on Saddleback Church property being "paused"/defeated, however had the largest number of views of concern & relief by the community: 26.2k VIEWS!

*Additional submitted attachment is included below.*
