SUMMARY OF POST CERTIFICATION PETITION PETITION FOR POST CERTIFICATION CHANGE CAMPBELL POWER PLANT (93-AFC-03C)

On December 12, 2025, the Sacramento Municipal Utility District (SMUD) filed a Post-Certification Petition for Changes in Project Design, Operation or Performance and Amendments to the Commission Decision (Petition) (TN 267906) with the California Energy Commission (CEC) for the Campbell Power Plant (CPP) pursuant to California Code of Regulations, title 20, section 1769.

The CPP, a 158-megawatt (MW) combined-cycle, natural gas facility was certified by the CEC in November 1994 and began commercial operation in October 1997. The facility is located in unincorporated Sacramento County, adjacent to the former Campbell Soup Supply Company.

SUMMARY OF PROPOSED CHANGES

The project owner seeks approval to modify the commissioning CO emission limits contained in Conditions of Certification and the corresponding air quality permit condition from the Sacramento Metropolitan Air Quality Management District.

For additional information, please visit the CEC's project webpage at, <https://www.energy.ca.gov/powerplant/combined-cycle/campbell-power-plant>. Accessible on the webpage is a link to the petition locate the box labeled "Compliance Proceeding"; select the "Docket Log" option to view.

REVIEW PROCESS

This petition is reviewed pursuant to California Code of Regulations, title 20, section 1769. The review process includes an evaluation of the effect the change could have on the environment; the project's compliance with applicable laws, ordinances, regulations, or standards; and whether a change to, or deletion of any condition of certification adopted by the CEC in the final decision or subsequent amendments is required.

After staff completes an independent review and analysis of this petition, the assessment will be published for public review and comment. Included in the staff analysis, will be written notice of staff's intent to either process the

proposed changes as a staff-approved project change or schedule it for consideration by the CEC at a regularly scheduled business meeting.

PUBLIC PARTICIPATION

This summary of the post certification petition is being mailed to the following persons on the CEC's mailing list for the project: interested agencies, members of the public, property owners who requested placement on the mailing list, and property owners within 500 feet of linear features (for example, pipeline) and within 1,000 feet of the facility. The notice is also being sent electronically using the CPP electronic subscription service. The electronic subscription service is an automated CEC system by which information about this facility is emailed to parties who have subscribed. To subscribe, go to the [CEC's project webpage](#), cited above, scroll down the right side of the project webpage to the box labeled "Subscribe," and provide the requested contact information.

Any person may comment on the petition or the staff analysis when publicly available. The CEC encourages use of its electronic commenting system. To use the CEC's electronic commenting feature, go to the [CEC's project webpage](#), cited above, click on the "[Submit e-Comment](#)" link, and follow the instructions in the online form. Be sure to include the facility name in your comments.

Written comments, attachments, and associated contact information (for example, address, phone number, email address) become part of the viewable public record. This information may also become available via any internet search engine.

Written comments may also be mailed to:
