Falls Church, VA 22042

Dear Steven Winstead:

Pursuant to Section 10-103.2(d)1 of the *2025 Building Energy Efficiency Standards*, each acceptance test technician certification provider (ATTCP) must submit an annual report to the California Energy Commission (CEC) summarizing its activity over the reporting period. The annual report must contain the following:

- A summary of the certification services provided over the reporting period and to date.
- A summary of all actions taken against any certified acceptance test technician or employer.
- A summary of the quality assurance and accountability activities conducted over the reporting period and to date.
- A summary of the number and type of acceptance tests performed in each local jurisdiction over the reporting period and to date.
- A signed certification to the CEC that the ATTCP continues to meet the requirements of Section 10-103.2.

The 2025 reporting period is January 1, 2025, to December 31, 2025. Please submit your 2025 annual report to docket number 13-ATTCP-01 by **June 30, 2026**. Attachment 1 includes a summary of the requirements with benchmarks/examples of the information to include for each requirement in the annual report. In addition, an Annual Reporting template (attached) is provided as an example of how to submit the annual report data. If you have any questions, please contact Bhaskar Ale via email at [bhaskar.ale@energy.ca.gov](mailto:bhaskar.ale@energy.ca.gov).

Sincerely,

*Bhaskar Ale*
