Re: Request for Mailed Notice of Actions and Hearings –  
Vaca Dixon Power Center BESS Project in Vacaville, CA – 26-OPT-01

Dear Ms. Huber and Ms. Longman:

We are writing on behalf of Solano Irrigation District to request mailed notice of the availability of any environmental review documents, prepared pursuant to the California Environmental Quality Act, referring or related to the Vaca Dixon Power Center Project, CEC docket number 26-OPT-01 (“Project”), proposed by Vaca Dixon BESS LLC and Arges BESS LLC (“Applicants”), as well as a copy of the environmental review document when it is made available for public review.

**We also request mailed notice of any and all hearings and/or actions related to the Project.** These requests are made pursuant to Public Resources Code sections 21092.2, 21080.4, 21083.9, 21092, 21108, 21152, and 21167(f) and Government Code section 65092, which require local agencies to mail such notices to any person who has filed a written request for them with the clerk of the agency’s governing body. We believe the Solano Irrigation District is a responsible public agency and entitled to the earliest consultation in regard to proposed projects of this nature.

Please use the following contact information for all correspondence:
