Keep Vacaville Safe

I am expressing my strong opposition to the proposed siting of the Vaca Dixon Power Project 26-OPT-01 (Vaca Dixon BESS LLC and Arges BESS LLC applicants) in Vacaville. I am respectfully asking the California Energy Commission to DENY this project based on: 1- Public Safety Concerns, 2 -Agricultural and Environmental Impacts, 3- Transportation Impacts, 4- Strain On community Resources, 5- Negligible Local Benefit, 6.-Zoning Violations, (The applicants for these projects are attempting to use the AB205 opt-in program to bypass local authority and ignore zoning laws designed to protect our community.)

All of my Vacaville friends and I say a BIG NO!! on both of these projects.

Thank you for your attention to our concerns on these matters.
