Subject: Distributed Hydrogen Solicitation Concept 22-ERDD-03"

I hope you are well. We are a new green energy startup focusing on green hydrogen. It seems this grant has been suspended. What's the status?

I'd like to set up a meeting with the program manager of this grant. It seems it was Ms. Abigail Jacob. I left her a voicemail.

We have a unique proposal with support from our local city to implement the project.

Thank you,

Fahad
