Training

Hello. I wish there was more hands on training as how to enter reports on cheers after inspections.

Often times my research finds very limited and not in details. Struggling most of the times on resources as there are not a lot of them out there.

What I'm asking is to training on cheers registry and how to help costumers and register them on cheers. Some of my costumers are elderly and some are not into getting an email.

Thank you

Armen Kazaryan
