## **California Tribal Gap Analysis**

Dear Commission,

On behalf of Prosper Sustainably and the Southern California Tribal Chairmen's Association (SCTCA) Tribal Energy & Climate Collaborative (TECC), I respectfully submit the California Tribal Gap Analysis (CTGA) report for considering within the CEC's Tribal OIIP for advancing Tribal energy sovereignty and Tribal affairs, particularly the Recommendations and Conclusions starting at page 106 of the report. The report file, which is too large to be attached, can be download at:  
<https://caltribalgapanalysis.org/wp-content/uploads/2026/03/CTGA-Report-Final-V2.20.2026.pdf>

Please also accept the other CTGA materials posted at <https://caltribalgapanalysis.org/>, including the webinar meeting recordings in which California Tribes and Tribal-serving organizations shared information and feedback for advancing Tribal energy sovereignty and Tribal affairs. Please let me know if you have any questions regarding this submission.

Sincerely,

Josh Simmons  
President, Prosper Sustainably  
Co-Director, Tribal Energy & Climate Collaborative
