Subject: Notification of Departmental Name Change

Dear Mr. Ali:

Please be advised that, effective April 2017, the City of Vernon, Vernon Gas & Electric has officially changed its name to Vernon Public Utilities (VPU). We kindly request that any and all correspondence and documentation related to the City's dealings with the California Energy Commission reflect this new name.

As a reminder, the City of Vernon no longer owns and operates Malburg Generating Station, but is still responsible for submitting several of the compliance reports associated with the Malburg Generating Station Docket (01-AFC-25C). Accordingly, those reports will now be submitted by VPU instead of Vernon Gas & Electric.

Please contact Lisa Umeda at (323) 583-8811 ext. 561, or via e-mail at LUmeda@ci.vernon.ca.us, if you have any questions or if you need additional information related to this matter.

Sincerely,

Kelly Nguyen
General Manager of Vernon Public Utilities
