**Re: Request for Mailed Notice of Actions and Hearings – RB Inyokern Data Center (26-SPPE-01)**

Dear Ms. Galer, Ms. Vorters, and Mr. Jahani,

This letter is submitted on behalf of the Center for Biological Diversity (“Center”) to request to be mailed notice of the availability of any environmental review document, prepared pursuant to the California Environmental Quality Act, related to the RB Inyokern Data Center (26-SPPE-01) (“Project”) proposed by R&L Capital, Inc. (“Applicant”), as well as a copy of the environmental review document when it is made available for public review. The Center also requests to be mailed notice of any and all hearings and/or actions related to the Project. These requests are made pursuant to Public Resources Code Sections 21092.2, 21080.4, 21083.9, 21092, 21108, 21152 and 21167(f) and Government Code Section 65092, which require local agencies to mail such notices to any person who has filed a written request for them with the clerk of the agency’s governing body.

The Center is a non-profit, public interest environmental organization dedicated to environmental protection. The Center has over 1.8 million members and online activists throughout California and the United States, including in the area to be impacted by the Project. The Center has worked for many years to protect air and water quality and overall quality of life for people throughout California, including in Kern County.

Please use the following contact information for all correspondence:
