CalSHAPE Plumbing Program Deadline

This is an important reminder regarding upcoming reporting requirements for all California Schools Healthy Air, Plumbing, and Efficiency (CalSHAPE) Plumbing Program participants.

June 1, 2026 is the CalSHAPE Plumbing Program's final reporting deadline. All Grantees are required to submit Reconciliation Reports by their individual grant term end date. The latest grant term end date for the Plumbing Program is June 1, 2026, and no Reconciliation Reports for Plumbing grants will be accepted after this date.

As a reminder for the Ventilation Program, the California Energy Commission (CEC) strongly recommends submitting all final reports and supporting documentation by June 1, 2026, to allow sufficient time for review, any necessary corrections, and timely disbursement of remaining funds.

To support grantees and their representatives during the closure process, the CalSHAPE Program will be offering office hours to provide one-on-one assistance. Office hours will be scheduled on a first-come, first-served basis and available time slots for each week are listed in the office hours form. Please use the link to sign up for a time slot:
