Deny the Seahawk BESS project in Santa Cruz County

As one of many community members who was poisoned by the Moss Landing explosion and contamination, I am outraged at any proposal to mandate a similar disaster in Santa Cruz County. See Reinetta Senum Foghorn Express, "From Farm to Fork: How Contamination in Moss Landing Threatens Every Dining Table in America." This proposed is right next to a low-income neighborhood, schools, and farmland. Protect public health, not corporate wealth.
