Dear Chair and Commissioners:

I am a Ridgecrest resident, an ex-employee of Searles Valley Minerals, Inc. for 44 years as Principal Engineer, pleased to support the RB Inyokern Data Center Project currently before your Commission.

This project represents the type of development of the California State and specially the Kern County needs to generate good-paying jobs for the skilled workforce and highly trained professional in the new era of technology for the next many future generations. These will be benefits to the long-term economic of City, County, as well as State.

As long-term resident of Kern County, a professional engineer, father of three grown successful children. I and many of my peers express our support RB Inyokern Data Center project. These will create strong local employment opportunities, strengthen our communities, support highly trained professional, and secure strong grow workforce base for all coming generations

I respectfully urge the commission to approve the RB Inyokern Data Center – Docket No. 26-SPPE-01.

Respectfully,

Edward M. Ung, P.E.  
Professional Engineer, State of California  
Resident, Kern County
