

DOCKETED

Docket Number:	26-SPPE-01
Project Title:	RB Inyokern Data Center (RBIDC)
TN #:	270307
Document Title:	John Gorman Comments - Objections to the data center(s)
Description:	N/A
Filer:	System
Organization:	John Gorman
Submitter Role:	Public
Submission Date:	5/27/2026 2:46:15 PM
Docketed Date:	5/27/2026

Comment Received From: John Gorman
Submitted On: 5/27/2026
Docket Number: 26-SPPE-01

Objections to the data center(s)

The proposed docket is a profound ecological intrusion to the Indian Wells Valley and the census community of Inyokern. The failing aquifer cannot bear the coolant draw and the valley households cannot afford the attendant electrical power. Our Dark Skies facilitation will be washed-out by the added security lighting, our high desert stillness will be assaulted by the cooling fan din and the 40 diesel fueled 35KW generators will foul our fresh air.
