Support for RB Inyokern Data Center -
Docket# 26-SPPE-01

Dear Chair And Commissioners:

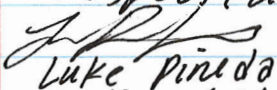

My name is Luke Pineda. I am An Apprentice electrician And PROUD member of IBEW Local 428. I have worked in the Construction Industry for 3 years And I live in Bakersfield, CA.

I Am writing in Support of the RB Inyokern Data Center Project.

I live in Kern County And care About this Community. This Project is estimated to generate Roughly 5 to 9 million Per year in Property tax Revenue for Kern County — Money that funds our Schools, Roads, Fire departments, And Public Services. Its located on Industrial land zoned, Away from Homes, uses less water than A Swimming Pool, And is Undergoing full environmental Review by the State. This is Responsible Development.

I Respectfully urge the Commission to Approve this SPPE Application. This Project is good for workers, Kern County, And California.

Respectfully,

Luke Pineda

Apprentice electrician, IBEW Local 428
