Subject: Replacement Tire Efficiency Program Comment Period Extension

California Energy Commission staff entered materials relating to the Replacement Tire Efficiency Program in CEC Dockets 26-TIRE-01 and 24-TIRE-01 on April 24th, 2026, initiating a 45-day comment period. Starting June 1st, 2026, the E-Filing and E-Commenting systems experienced significant and unanticipated technical issues.

Given these issues, California Energy Commission staff extended the public comment deadline by one week, from June 9th at 5:00 p.m. Pacific Time to June 16th at 5:00 p.m. Pacific Time. During this period members of the public could submit public comments via email at docket@energy.ca.gov.

Thank you,

California Energy Commission Staff
