Dear Andy Anderson:

The California Energy Commission (CEC) has received King City Community Power's (applicant) repeated application for confidential designation, docketed June 1, 2026 (TN 270518), for the 2025 Power Source Disclosure Report of King City Community Power. The applicant is requesting confidentiality for data as shown below:

- 2025 PCL Data
 - Cell B3 (Retail Sales and Loss-Adjusted Load totals)
- Unbundled REC Worksheet
 - Cell B5 (Total Retired)
 - Cells A12:F308 (Total Unbundled RECs)

These records were previously determined by the CEC's executive director to be confidential until the end of the prior calendar year (Docket 25-PSDP-01, TN 264584). The applicant asserts, under penalty of perjury, that the above data contain information substantially similar to previously submitted information that was granted confidential designation, and all facts and circumstances relevant to the confidentiality of the information remain unchanged.

California Code of Regulations title 20, section 2505(a)(4) provides:

Director pursuant to subdivision (a)(3)(A) of this section, the new application need contain only a certification, executed under penalty of perjury, stating that the information submitted is substantially similar to the previously submitted information and that all the facts and circumstances relevant to confidentiality remain unchanged. An application meeting these criteria will be approved.

The applicant has met the requirements for confidential designation of the above information as a repeated application. Confidentiality is granted through December 31, 2026, under the same terms as those in the initial letter granting confidentiality.

Be advised that under California Code of Regulations, title 20, section 2506, one may petition to inspect or copy records that the CEC has designated as confidential. A decision on a petition to inspect or copy confidential records is issued by the CEC's chief counsel. Under California Code of Regulations, title 20, section 2507, the executive director may disclose records, or release records previously designated as confidential, in certain circumstances. The procedures for acting on a petition and criteria for disclosing or releasing records previously designated as confidential are set forth in California Code of Regulations, title 20, sections 2506-2508.
