## **Battery Plants in Vacaville (BESS)**

I have lived in Vacaville for 34 year's. We joined together as a community to follow a due process to create an ordinance expressing the communities commitment to move towards supporting an effective and safe environment for our future families, farmer, firefighters, police and more. Do not approve any of these plants unless they follow the voice of our community. Battery Plants are a short term fix and a harmfu land dump to our environment which makes me sad for the future.

Sincerely  
Jaime Doolan
