CORBY BESS

Please do not allow any BESS projects close to residences, schools, public buildings or highways.

Set a precedent from here forward thdt the location of any BESS projects close to the town (incl country homes) must be further away.

That it requires excess cost to do this is little to pay for the safety of your neighbors. It could also diminish property values of those citizens whoâ€™ve resided in Solano area and paid their fair share of taxes -

Please help this all make sense.

Gratefully
